Veritable Masterpieces...

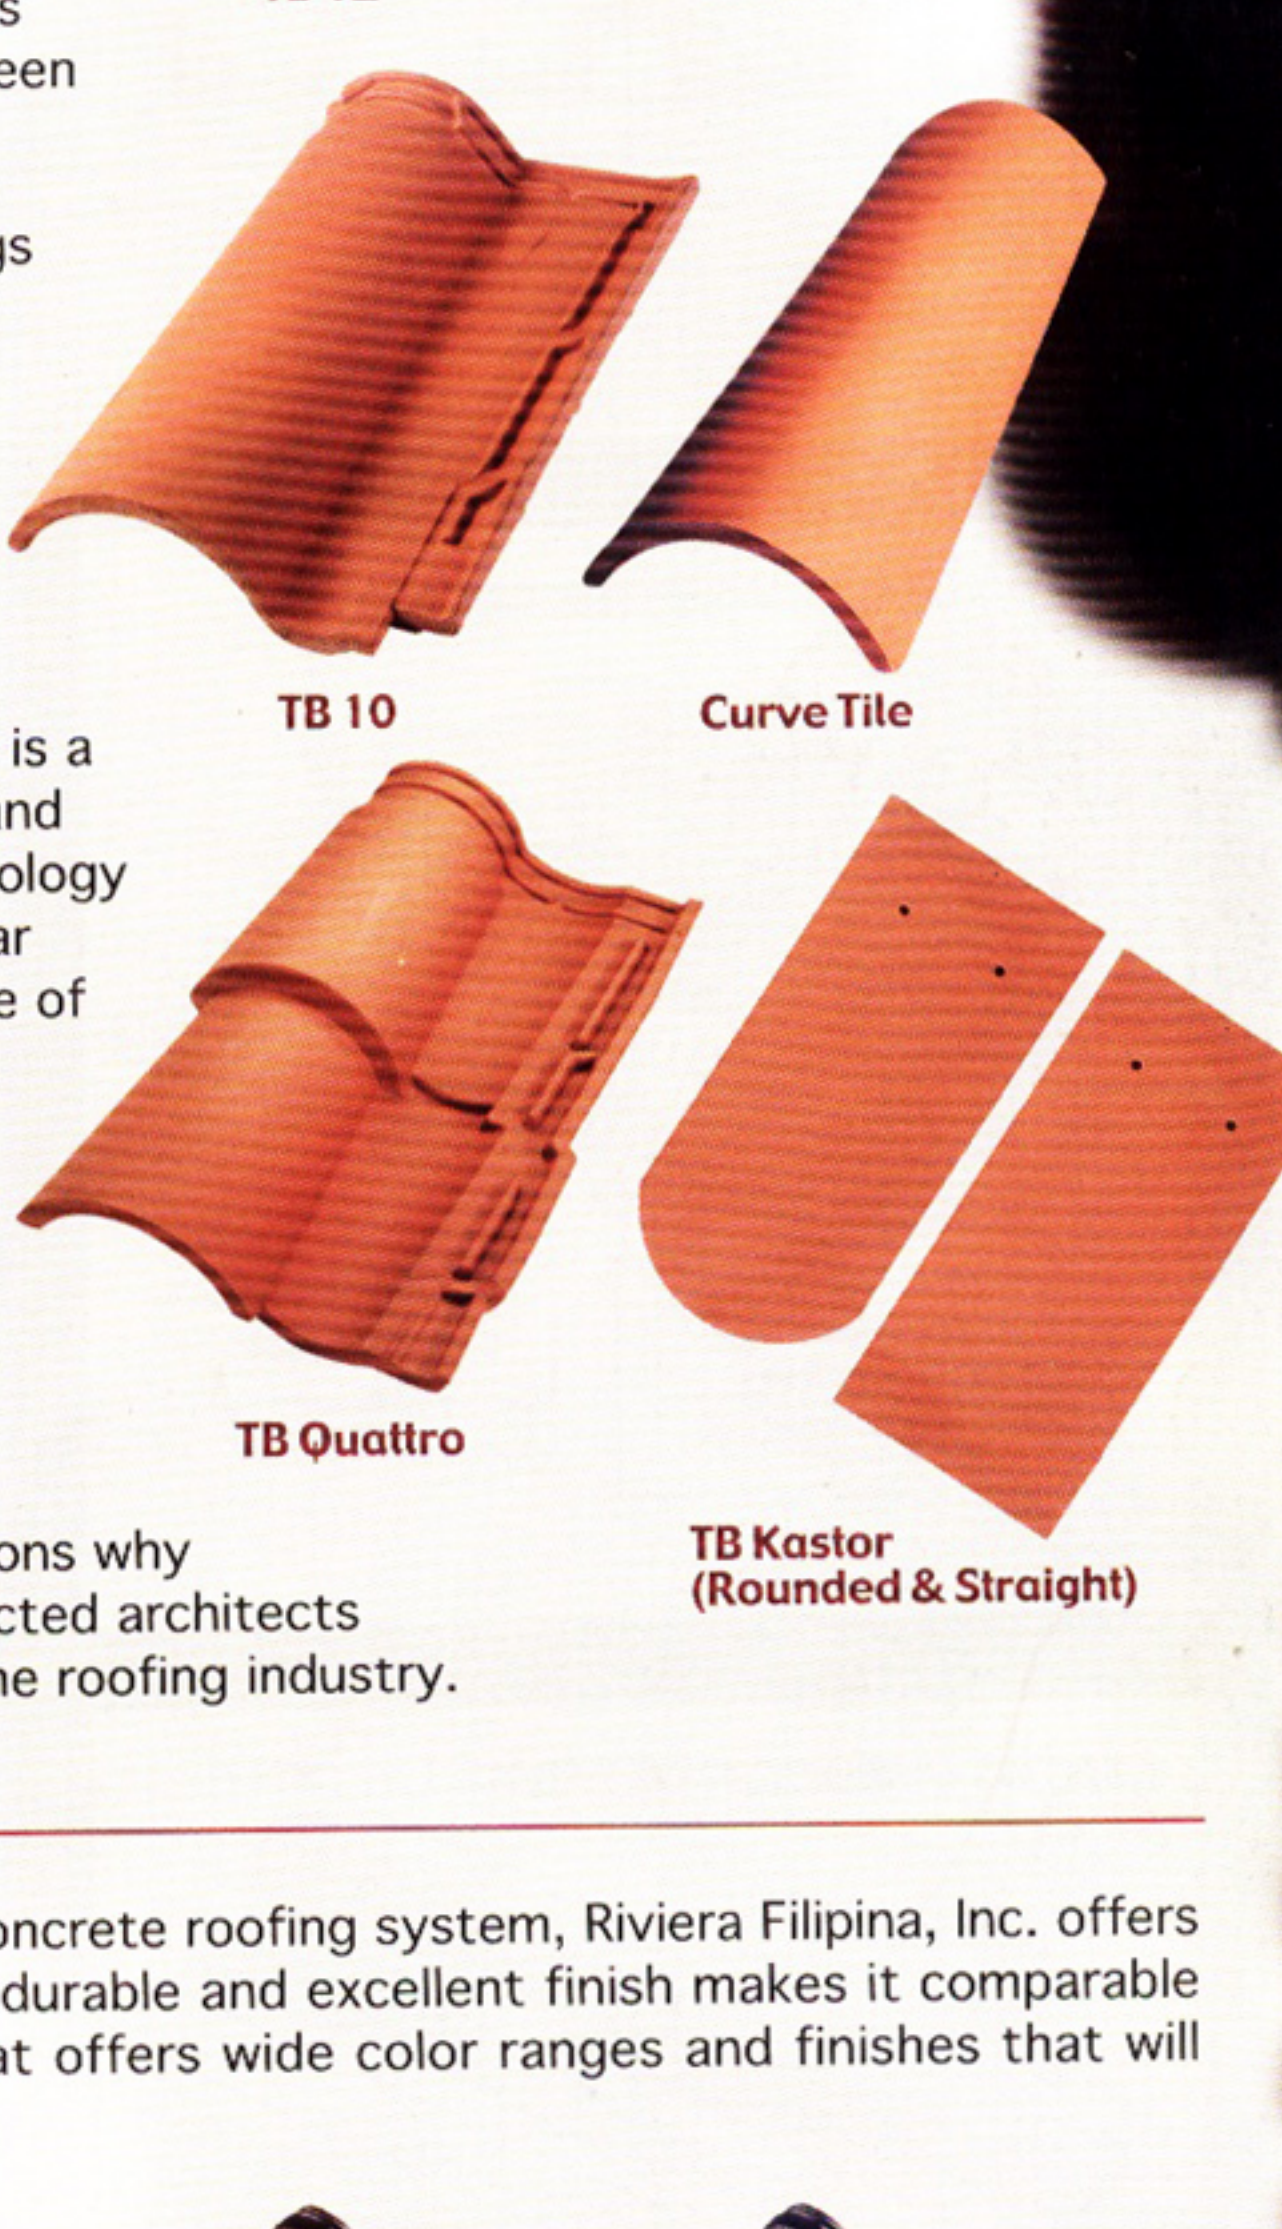

When we talk about a product with as much tradition, beauty and importance as ceramic roofings, Tejas Borja is a significant referent as a result of the constant contributions it has been making for over 100 years.

Nowadays, Tejas Borja not only covers roofings in European countries, but also in countries with as much tradition in roof tiles as Asia.

As the leader in the roofing tile industry in the country, Riviera Filipina, Inc., offers you the tiles of the times.

Tejas Borja clay roof tile is acknowledged as the best clay roof tile ever made. Every piece is a veritable masterpiece of combined elegance and strength, an exemplary product of high technology and high professional skills. They are very clear about the functional and aesthetic importance of roof tiles in housing and their development is planned to offer top quality roof tiles, with finishes that revive classic aesthetics and innovate with the most state-of-the-art trends. Your home definitely deserves any of these masterpieces.

These technologies, backed by professional engineers and highly skilled workers, are reasons why Riviera Filipina, Inc. is dubbed by highly-respected architects and designers as the most trusted name in the roofing industry.

TOUGH COAT

To complement its expanding lines of clay and concrete roofing system, Riviera Filipina, Inc. offers you a revolutionary painting system. Its strong, durable and excellent finish makes it comparable to glazed roof tiles. In addition, Tough Coat offers wide color ranges and finishes that will surely suit your lifestyle and character.
